Harshwardhan Harne

I'm a designer who builds: part designer, part engineer, part storyteller. A new problem still gives me butterflies. I'll dig through research until I find the one insight that makes me say "eureka", and then I do my favourite part: *making it real.*

The goal is always the same: **tech that helps people flourish.**

EDUCATION

National Institute of Design, Ahmedabad. *2025 - Present*
Master in Design, New Media Design

Indian Institute of Mass Communication, New Delhi *2022 - 2023*
PG Diploma in Advertising and Public Relations

Savitribai Phule Pune University, Pune *2018 - 2022*
